

Institute of applied physics of National academy of sciences of Ukraine

Scientific conference

**Workshop in memory of
Petro Ivanovich Fomin**

QUANTUM FIELD AND GROUP APPROACHES IN THEORETICAL PHYSICS

2 July, 2012

WORKSHOP PROGRAM

- Quantum field theory
- Bose-Einstein condensation
- Quantum electrodynamics in strong fields
- Quantum cosmology

VENUE

Conference room of
Institute of applied physics of
NAS of Ukraine
Sumy, Petropavlivska st., 58

ORGANIZING COMMITTEE

Storizhko V. Yu. – D.Sr., Academician of NAS of Ukraine,
prof., the head of the committee
Kholodov R. I. – PhD, deputy director for Science,
senior research assistant, deputy
Kravchenko S. M. – PhD, senior research assistant
Novak O. P. – PhD, research assistant
Dyachenko M. M. – postgraduate student
Khelemelya O. V. – postgraduate student
Astapovych D. O., Vechirka V. P.
